How the learning journey works

1. Submit an enquiry with class/level, country, goal and preferred mode.
2. Receive guidance about course scope, timing, platform and applicable terms.
3. Begin with a structured learning plan and guided practice.
4. Review progress and plan the next learning goal.

International learning

Online Hindi learning is available for learners outside India. Time zone, communication method and video platform are confirmed before enrolment. Parent-approved communication is followed for minors.
